

SKY ISLAND CAPITAL PORTFOLIO COMPANY ACQUIRES ASSETS OF DYNASTY METALS

Dallas, Texas – January 12, 2026 – Sky Island Capital (“Sky Island”), a Dallas-based lower middle market private equity firm, is pleased to announce that its portfolio company, Polished Metals Limited (“Polished Metals”), has acquired the assets of Dynasty Metals Inc. (“Dynasty Metals” or “the Company”). Founded in 1984 and based in New Jersey, Dynasty Metals is a metal polisher serving architectural, pharmaceutical, transportation, and other industrial end markets. Dynasty Metals offers a broad range of custom surfaces and profiles.

“With this acquisition, Sky Island will expand the Polished Metals family of polishing companies. This strategic move will increase Polished Metals customer base as well as solidify its market position in the critical Northeast architectural market,” remarked Jeff Watson, Chief Executive Officer of Polished Metals. “The acquisition continues to build on the strong momentum Polished Metals has been experiencing and will further support its presence in the market.”

This acquisition will meaningfully expand Polished Metals’ polishing capacity and further strengthen its ability to serve customers with high-quality polished metal solutions.

Dynasty Metals is Polished Metals’ third add-on acquisition.

About Sky Island Capital

Sky Island Capital (www.skyislandcap.com) is a lower middle market private equity firm headquartered in Dallas, Texas that focuses exclusively on partnering with privately held manufacturing companies in North America. Sky Island was born out of the desire to work alongside entrepreneurs and family business owners to serve as a resource and strategic partner with one goal in mind – growth. Sky Island focuses on situations where it can draw upon its deep operational and management experience to support senior management in driving significant value creation through operational and strategic partnership.

Sky Island is currently investing out of its second fund and is actively looking for new manufacturing partnerships.

About Polished Metals

Founded in 1979, Polished Metals (www.polishedmetals.com) is one of the country’s largest polishers and suppliers of architectural and ornamental metals, offering a variety of finishes and metals to several end markets, including the architecture and design community, elevators, escalators, transportation, and many others. Headquartered in Hillside, New Jersey with additional production facilities in Union, New Jersey, and El Monte, California, Polished Metals maintains a diverse customer base throughout North America.
